All-Stars for Girls Little League

Standings for the season for Girls Little League were Rag Dolls, Blue Angels, Gold Diggers and Junior Pipettes.

All-Stars picked were Charlotte Hooper, Renea McGee, Teresa Baldivia, Mary Bolden, Nicole Carter, Sonia Ramon, Debra Pyron, Elaine Wade, Twila Van Dam, Rita Williams, Retta

Crowley, Regina Kelly, Nancy Jeffery and Dianna Hernandez. Alternates are Danna Schuette and Irma Reyes.

Billie Schuette is All-Star manager and coaches are

Gail Dominey and Jerry Ferguson.

The game with Anson will be played here July 16 at 8 p.m. The winner of this game will meet the winner of the Winters-Ballinger All-Star

Game in Abilene on July 21 to decide the district champion.

All-Stars for the Senior League which is composed of two Anson teams and two Hamlin teams will be managed by Mary Johnston and coached by Andy Brown and Sonja Neal.

The Senior All-Stars are Jackie Hooper, Gayla Bockmon, Monica Chase, LaEtta Seifres, Rita Maberry, Karen Smith, Leona Johnston, Kathy Prewit, Tammy May, Pam Thornton, Renee Stinnett, JoAnn Martinez, Veronica Garcia and Eudoria Warner. The last four listed are from Anson.

The girls are automatically district champions because there are no other teams in the district. They will advance to the sectional tournament with the first game scheduled the week of July 25 in Weatherford.

VACATION WEEK—

No Paper Next Week

The Hamlin Herald this week is a combined issue of June 30 and July 7. A paper will not be printed next week, according to Bob Craig, publisher.

The Hamlin Herald office will be closed July 1-10 for vacation. This enables the entire staff to have a vacation. This practice was started several years ago and the community has been most cooperative, Craig said.

The next issue of the Herald will be July 14. The office will be open at 8 a.m. July 11.

Garry Bartee Named Head Basketball Coach

Garry Bartee, junior varsity basketball coach here for the past three years, has been elevated to the head basketball position, according to Bill Grissom, athletic director.

Bartee succeeds Keith Barick who recently resigned after serving in that position for the past year. He coached the Pipers to the Regional Tournament in Lubbock in his first year as head coach.

Bartee will continue to assist in football.

Jerry Gooch, who has been teaching English in the system here for the past two years, has been hired as an assistant football coach. He will also have other coaching duties.

Maorettes Attend SMU Twirling Class

Hamlin High School Maorettes Jamie Jones, Stephanie Hymer and Laura Carter attended Baton Twirling School on the S.M.U. Campus June 20-24. Arleta Thomas also attended the school. The girls brought home Superior and Honorable Mention awards for the new routines they learned.

The school was instructed by "Mr. Twirler," Duke Miller.

Guests in the home of Mr. and Mrs. R. E. Kidd this past weekend were Mr. and Mrs. Joe Kethley and Jay, Dr. and Mrs. Joe Kethley Jr. and daughters, Jennifer and Julie, all of Waco, and Mr. and Mrs. Gary Walter of Garland.

John and DeAnn Rackley of Bartlett spent several weeks with their grandmother, Mrs. S. C. Hollis, and Debra and returned home June 21. Mrs. Hollis' great niece, Christi Sue Manning of Rochester, also visited several days in the Hollis home.

Sears Catalog Store to Open Here July 13

A New Business will soon be open in Hamlin when the newest Sears Authorized Catalog Agency store will have its Grand Opening Wednesday, July 13, at 130 South Central.

The opening has been set at 9:00 a.m. Mr. and Mrs. Louie Cunningham, the Owners-Managers said, "Hamlin's new facility is the result of a combined effort between Sears and ourselves to offer better and more complete service to the catalog customers in the area. We hope the people of the Hamlin area will consider us a part of the community and will avail themselves of our new facilities."

Besides souvenirs for all attending, visitors may register for a Microwave Oven to be given away.

The Cunninghams, who have been residents of Hamlin for 30 years, said that orders for any merchandise listed in the current Sears' catalogs may be placed in person or by phone from home. The orders are then relayed to the Catalog Merchandise Distribution Center in Dallas for filling and the merchandise sent to the store or directly to the customer if desired.

The steady growth of Hamlin and surrounding area prompted Mr. and Mrs. Cunningham to open the facility. They pointed out that this is a locally owned and operated business.

And What Have You

By BOB CRAIG

This week we find ourselves passing along another column from James Roberts. With some column writers you can convert some of their thoughts into ideas of your own for a column. But with James, once you read it it becomes almost impossible to find some other way to say the same thing.

Your guess is as good as mine as to whether or not he actually overheard this conversation, but regardless, we feel sure that it has been said by many people, many times.

And hopefully this will not get too close to home for many of you, but all of us can look around and see it happening every day.

Here is James's story:

We wouldn't have believed it if we hadn't heard it and eyeballed it ourselves.

The pair were sitting a few booths away, an older, greying man and a young man in the middle or late twenties and enough likeness to certainly be father and son.

"We're just not making it anymore," the young man was arguing, sadly and resignedly.

"But son you've got it made. . . a good job, a comfortable house, good health, no big expenses. . ."

"Dad we weren't making it before and with the kid coming' in September, it's disastrous!"

The argument flowed back and forth between the two during the lengthy evening meal but neither made a great deal of headway.

"Seems like we owe everybody in town and we're not catching up on anything. She can spend it faster than I can bring it home."

"Wal, your mother and I thought you went a little strong on that new car but it's your life. . ."

"I know that we promised to start paying you rent on our house next month but it's \$35.00 a month we don't have. . ."

"Forget it for the time being. . . we can do without it but I still don't understand. You're 15 years ahead of where your mother and I were at your age. You're making five times the money we were during our early marriage."

"But things are different now. Things cost more. Everything costs more. . ."

"So what else is new? Things are always higher, more expensive. But you've got four years of college that I didn't have and your mother and I were tickled to do it. And since our old house wasn't rented any way, it's better that you're living in it and keeping it up. I never liked renting our first home to anyone anyway."

"But things were different for you and mom! You didn't need a lot of money. . ."

DPS Warns of High Fourth Accident Rate

AUSTIN — The Texas Department of Public Safety today warned that an unusually high number of traffic accidents and fatalities are likely to occur during the July 4th holiday weekend.

The head of the DPS, Colonel Wilson E. Speir, estimated that 51 persons would lose their lives in Texas traffic from 6 p.m. Friday, July 1, to midnight Monday, July 4.

"Based on past holiday experience, we believe many of the traffic accidents during the holiday period will involve either speeding or drinking. Also, it is likely that a high percentage will occur late at night or within a few hours after midnight," Speir said.

"Hopefully, motorists will drive defensively and be thoughtful while behind the wheel. I sincerely believe that if they would keep the principle of courtesy and concern utmost in their minds that it would make for a safe holiday," the DPS director added.

To deal with the problem of reckless drivers, the DPS will be utilizing all its manpower in a strong enforcement program. In addition, Department of Public Safety Troopers will be working with local enforcement agencies throughout the state, as well as the news media, trying to keep the public safety conscious.

During the July 4th weekend last year, 55 persons were killed in Texas accidents. Department of Public Safety records indicate the deaths were almost evenly divided between city streets and rural highways.

The most prevalent type of collision last July 4th involved only one vehicle.

Dinner Saturday

The Senior Mission will sponsor a dinner Saturday beginning at 5:30 in Fellowship Hall of Oak Grove Baptist Church. Plates will be \$2.25.

The menu includes fried chicken, creamed potatoes, green beans, tossed salad, rolls, assorted pies and iced tea.

RAINFALL

Rainfall recorded here Wednesday evening, June 22, was .19.

W. G. "BILL" ROUNTREE . . . receives award from Bob Manning, left

Bill Rountree Honored For 35-Year Service

W. G. "Bill" Rountree was recently awarded the United States Government 35-year Service Pin and a letter of appreciation for his service as the official National Weather Service Cooperative Observer for Hamlin.

He was presented the award by Bob Manning from the Substation Network Management Branch in Fort Worth.

Rountree, retired City of Hamlin water superintendent, has been keeping the daily weather records for Hamlin for the past 35 years. Each month his rainfall

measurements are mailed to the Environmental Data Services National Climatic Center in Asheville, N.C.

There, they are processed for computer storage, and published in the National Oceanic Atmospheric Administration's Climatological Data to become a part of the permanent record of the world's weather.

Manning said, "We hope Mr. Rountree will continue to find the weather work interesting, and that many more years will be added to his enviable record."

DUANE STEWART . . . to preach Sunday

Duane Stewart To Preach Here

Rev. Duane Stewart, senior ministerial student at Bethany Nazarene College in Bethany, Okla., will be preaching at the Church of the Nazarene both services Sunday, July 3.

Rev. Stewart, a 1971 graduate of Hamlin High School, is the son of the Rev. Marshall Stewart, local pastor, and Mrs. Stewart. He is married to the former Cheryl Harris of Abilene.

This will be young Stewart's first time to preach in the new church sanctuary. The Stewart family will also be singing.

Everyone is invited to attend the special services.

State Seeking Bids On Mowing Right-of-Ways

ABILENE—Bids will be taken on the mowing of some sections of right-of-way according to the State Department of Highways and Public Transportation officials.

Roger Welsch, District Engineer of the Abilene District, said, "Over the past few years, we have been forced to reduce personnel due to funding problems. Now that we have additional funds in the highway system, we are committed to maintaining our present permanent work force. This results in the need to contract some of the maintenance functions for which we normally would employ additional personnel."

The Abilene District has not contracted mowing to private companies in many years. The concept is to eliminate the loading of department payrolls with personnel who would be terminated at the end of the mowing season.

The contract for which bids will be taken until July 8 involves approximately 1,164 acres of highways in Jones County.

Anyone interested in bidding on the mowing operations should contact Mr. Nelson Shave, District Maintenance Engineer, P. O. Box 150, Abilene, Texas.

Mr. and Mrs. Bob Craig attended the 98th annual summer convention of Texas Press Association at Galveston during the weekend. They also visited with a son, Darrell Craig, at Galveston, and their daughter, Beth Craig of Houston.

LIONS CLUB LEADER—New president of the Hamlin Lions Club, Larry Butler, center, assumed the responsibilities of the office at the luncheon meeting and Ladies Day Tuesday. Pat Willoughby, left, retiring president, presents the president's pin to Butler. George Campbell, right, club secretary who was re-elected, installed the officers.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams

AUSTIN — Rep. Frank Hartung, backed by House Speaker Bill Clayton, has made a bid to have his state money management bill revived on the agenda for the forthcoming special legislative session.

The Houston Republican told a news conference this week he and Clayton have both written Gov. Dolph Briscoe asking that HB 1984 be included on the agenda of the session now scheduled to begin July 11.

HB 1984, which died in a Senate committee during the last days of the regular session, requires the State Treasury and Depository Board to invest more of the state's money in interest-paying time deposits.

It would also grant the state agency new power to invest in savings and loan accounts, as well as government securities, authority the Treasury doesn't have under present law.

Hartung said the state is currently losing \$2 million monthly on money deposited in non-interest paying checking accounts scattered in more than 1,300 banks state-wide.

He said it was appropriate his bill should be included in the special session called to pass a public school finance bill for the next two years.

The approximately \$42 million lost every two years because of poor money management could be used to help finance public schools in Texas, he said.

Hartung admitted he hasn't had any indication from the governor that his bill is being considered as a special session agenda item.

Also bidding for a spot in the session are bills to repeal the state sales tax on utilities and to reform the state property tax code.

So far, however, Briscoe had indicated only public school finance will be on the agenda and all other matters are merely under consideration.

Water Agencies

The Texas Water Development Board began last Monday the work of reorganizing the present three state water agencies into one entity to be known as the Texas Water Resources Board.

The WDB is responsible for carrying out the reorganization under a new law passed by the 65th Legislature and effective Sept. 1. The Texas Water Quality Board, Water Development Board and Water Rights Commission are to be combined.

All three of the current executive directors are vying openly for the job as head of the super agency including Hugh C. Yantis (WQB), Gen. James M. Rose (WDB) and Robert Schnieder (WRC).

However, WDB Chairman A. L. Black said after the first meeting the final choice might come from outside the present executive circle. "I wouldn't want to narrow the field down to any one, two or three individuals," Black said.

Hill Will Sue

Atty. Gen. John Hill said this week he will take the Texas Water Rights Commission to court if necessary to overturn its latest order.

Last week the WRC okayed a \$50 million, 55-year contract by which the Lower Colorado River Authority will sell water to the South Texas Nuclear Project at Bay City.

Hill maintains the water in the state's rivers and impoundments belongs to the people and while river authorities have the right to control it, they have no right to sell it.

Reminded that several other river authorities in the state are selling water under similar contracts, Hill remarked "I've learned a lot from this case and we'll be looking at some of these other contracts too."

Appointments

Just before leaving on vacation, Gov. Briscoe handed

out appointments to various state agencies and institutions by the bunches.

These included three new members to the Texas Southern University Board of Regents, the Rev. Moses L. Price and Ronald Pruitt of Houston, Milledge A. Hart III of Dallas, and the reappointment of Ernest S. Sterling of Tyler.

Texas Tech University also got three new regents in Clint Formby of Hereford, Roy K. Furr of Lubbock and James L. Snyder of Baird.

James R. (Jim Bob) Paxton of Palestine was appointed to a six year term on the Parks and Wildlife Commission replacing longtime member Jack R. Stone of Wells who is resigning.

New Judgeship

Olin G. Wellborn Jr. of Alvin is Briscoe's choice for the bench of the newly created 239th Judicial District Court in Brazoria County.

Judge Wellborn is formerly judge of the 23rd Judicial District Court.

He said he will not be a candidate for election to the judgeship in 1978, stating "my successor should be elected by the people."

AG Opinions

Atty. Gen. John Hill has held a sheriff may not make an arrest outside of his county for an offense even if it is committed in his presence or within his view. He can only make a citizen's arrest but not act in his official capacity as sheriff, Hill held.

In another opinion Hill held the state auditor should disclose information on charges involving state employees who received payment for non-reimbursable travel expenses.

"The public is entitled to certain factual information from the records prepared in connection with an audit," Hill said in an opinion requested by State Auditor George W. McNiel.

"Whether particular records are excepted . . . must be determined on a case-by-case basis by examining them in the light of policies underlying that exception . . . circumstances might justify withholding of factual information," Hill wrote.

Courts Speak

Fear of nuclear accident can be considered by juries in land condemnation cases involving nuclear power plants, the Supreme Court has held.

In another case, the court set a July 13 hearing on a \$500,000 judgment against General Motors and in favor of a Houston man who was blinded when a window of his car shattered in an accident.

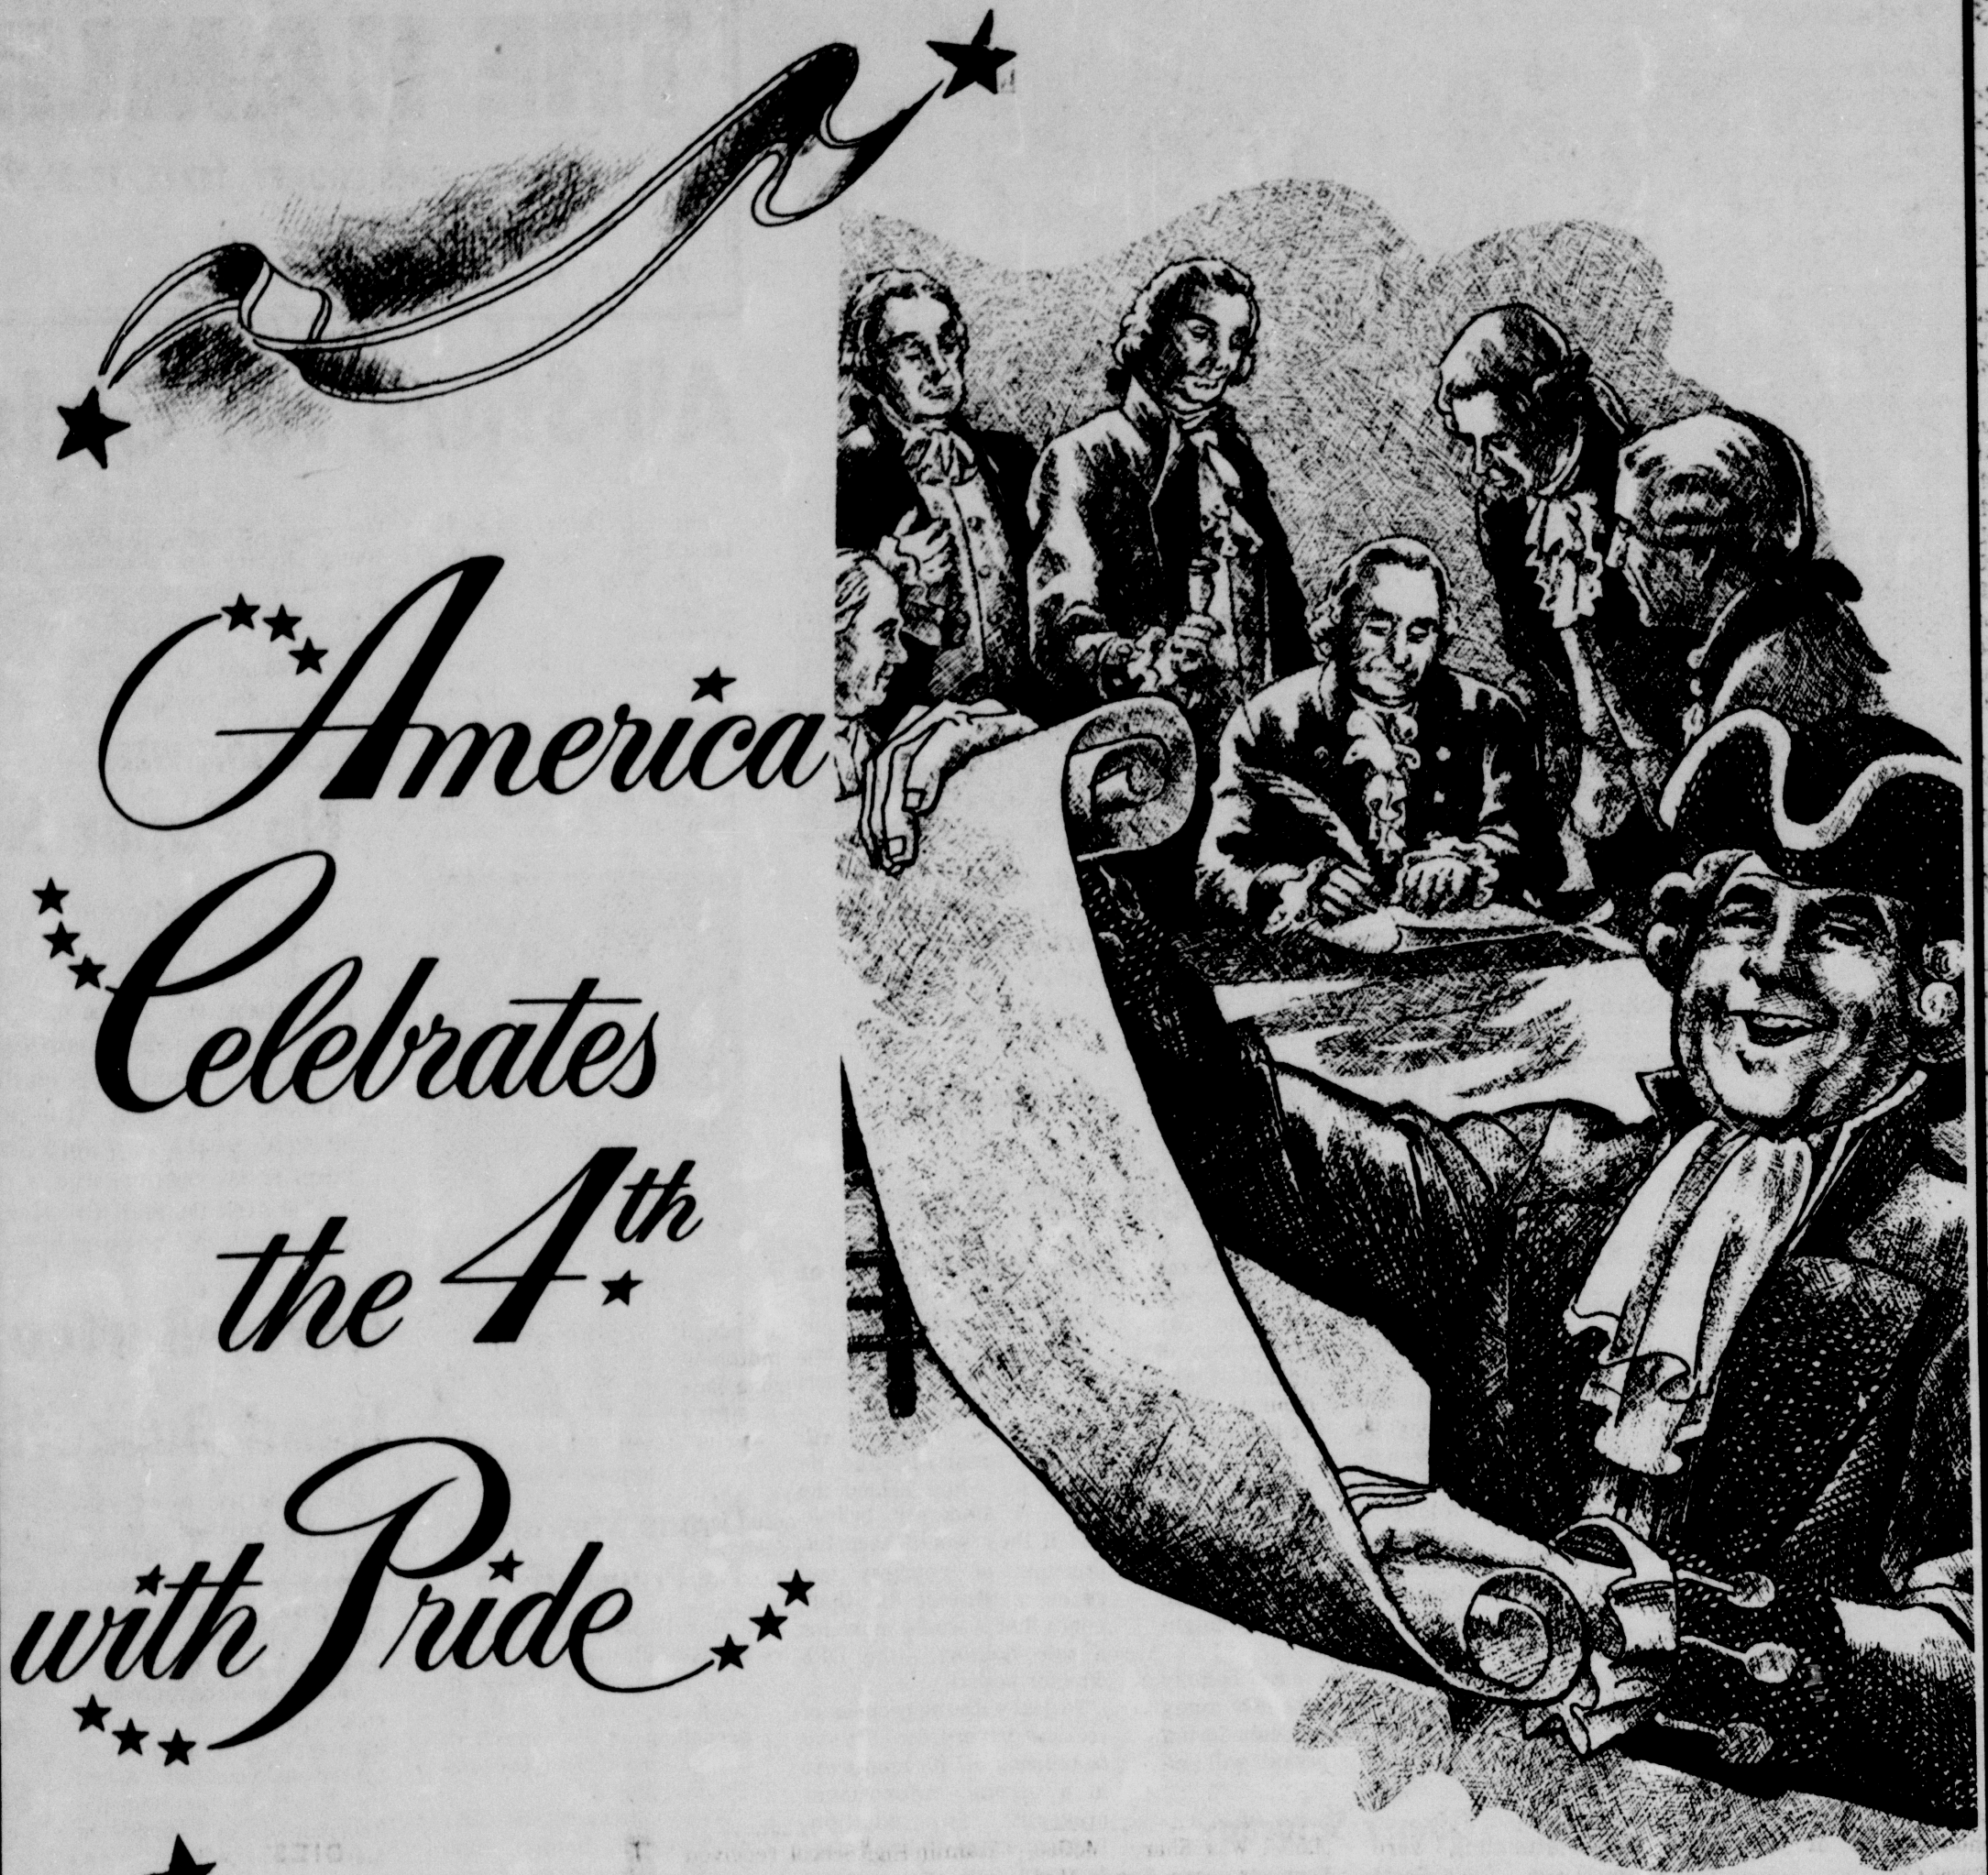

A lower court jury had awarded Curtis Lee Simmons \$1 million but a Court of Civil Appeals reduced it to half that amount. GM appealed the case to the high court saying the lower court ruling would set a precedent that probably would be used against auto manufacturers in every accident case involving pre-1972 cars and injuries from flying glass.

The Texas Court of Criminal Appeals last week reversed the murder conviction against Kenneth Dee Stogdill, a death row inmate, on the grounds there was insufficient evidence to prove he killed Billy Ed Price of Wichita County in 1975.

Hanging by his feet 40 feet above the ground, Harry Houdini was able to free himself from a straitjacket!

Although a giraffe's body is smaller than that of the average horse, its neck can be longer than a tall man and its front legs may be eight or ten feet long.

America Celebrates the 4th with Pride

"We hold these Truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness..."

Our founding fathers had the foresight and wisdom to create a document which clearly defines our American ideals. For the past 201 years, we've upheld these values set forth in the Declaration of Independence and in so doing have become a strong nation of people...from all backgrounds, races and religions...working, growing and prospering together with one goal...a better America...a better world. This July 4th let's celebrate the birth of our heritage with renewed spirit, unity and pride.

This July 4th let's show our colors...celebrate America!

FROM THE FILES . .

FIFTY YEARS AGO

(June 30 and July 6, 1927)
Friday evening at five o'clock The Boy Scouts went on a hike out at the Moore Lake. We reached the lake about five-thirty. After finding a place to camp, the tents were put up by each scout, and then supper was prepared.

After supper Buddy Withers, and Arlie Casle, our Scout Master, and Assistant Scout Master demonstrated to us a few exercises and they also drilled us about thirty minutes.

Monday night at our regular Scout meeting a court of honor was held by our local council scout master and assistant Scout master.

Badges were awarded to the following: Harvey Elkins, a first class badge; Denman Morgan, a first class badge; Lyle Craddock, a second class badge; Cleve Griffin, a second class badge; Sylvian Freedman, a second class badge; and Don Brice, a second class badge.

The Womens Missionary Society of the Methodist Church met in the basement of the church Monday June 30th at 7 p.m. An interesting social service program was rendered. Mrs. D. O. Sauls was leader. After devotional service led by Mrs. W. J. Brian, Mrs. W. K. Hale led in prayer. The following ladies took part in the discussion of the topic: Mrs. A. A. Hackley, Mrs. Lem Miller, and Mrs. G. T. Palmer.

After transacting the business of the hour ice cream and cake were served by the hostesses, Mrs. W. K. Hale and R. C. Poore. Hamlin Chapter No. 710, R. A. M., elected the following officers last Thursday night at

And What Have You

"Lissen at him! Your mother had to have four surgeries in six years. We had to buy furniture, a car, a home in between births of five of you kids. Seems like every time I came in from work there was a new mouth to feed. And after that, seems like every time we got a little money ahead, one of you kids needed something or other. But we enjoyed it!"

"But that's just it, dad! We're not enjoying anything. . . the job, the house, our vacation, nothing!"

"But why? You've got it made already with your whole life ahead of you?"

"But we don't have a three bedroom brick home like you and mother have and most of our friends have. We don't have a boat and motor like you do. We don't have a big camper, or draw dividends from a wad of oil company stock, or have any cash on savings drawing interest. . ."

"My God, son, it took us thirty years to get to where we are today. . . 30 years of scrimping, sacrificing, sweating, dreaming, planning, starting over. It's taken us a life time to get to this point. . ."

"That's the whole point Dad! Susan and I don't want to wait a lifetime—we want it now!"

What a difference a generation makes. Fatherhood is wonderful if patience is intertwined with obligations and responsibilities in the offspring, a heartache if it isn't.

We'd offer a little wager. When the son overheard above confronts his son a generation from now, it's not from the father the son will get his answer to the cry of "want it now." The father won't do it and the demand will be made to the government to provide instant success, instant security, instant material things, and instant happiness.

Thus it will ever be!

TWENTY YEARS AGO

(June 27 and July 4, 1957)

Two cowgirl participants for the annual Texas Cowboy Reunion rodeo events next month at Stamford have been named by sponsoring clubs. The events will take place July 2, 3, and 4.

Rebecca Ferguson, daughter of Mrs. Thomas Ferguson, will again be sponsored by the Hamlin Business and Professional Women's Club. She will ride her horse, Butch in the parades and the barrel races at the rodeo.

Wyvonne Conner, daughter of Mr. and Mrs. Bryant Conner, is being sponsored by the Hamlin Lions Club. She will ride her bay horse, Stockings.

Final stages of work is being done on the \$60,000 east wing addition to the Hamlin Memorial Hospital. The structure should be ready for occupancy about August 1.

Main entrance to the completed \$200,000 plant henceforth will be from the east side, in the south portion of the new wing. More commodious reception and waiting rooms will be provided, as well as expanded and more convenient offices for Manager Louie Cunningham and his business staff. The present office is being converted into additional patient rooms.

All-district guard, Dee Prewit, son of Mr. and Mrs. L. E. Prewit of Hamlin, has been selected to play in the 8th Annual Greenbelt All-star game to be played at Childress August 16.

Dee was also All-District in 1955, and was All-Abilene area in 1956. He plays both offensive and defensive.

A gift tea was given in the home of Mrs. George Malouf last Friday honoring Faith Simpson, who will wed Charles Absher early in July.

Guests were invited into the dining room by Mrs. Clyde Grice. Refreshments were served by Miss Ann Holt, assisted by Mrs. Parker Kelley, Mrs. Marvin Carlton and Mrs. S. T. Constantine of Midland. Piano music was presented by Marius Daniel and Bunny Patterson.

TEN YEARS AGO

(June 29 and July 6, 1967)

Bill Davis was installed as president of the Hamlin Lions Club at a Ladies Day luncheon Tuesday at the Oil Mill Guest House. Loyd Burkhardt, retiring president, presided.

Other officers installed were E. E. West, first vice president; Ray Sonnenburg, third vice president; George Campbell, secretary-treasurer; Joe Youngblood, lion tamer; Ted Seay, tall twister; J. O. Murphree, one year director; A. L. Gamble, two year director; Charles Reed, song leader.

Other directors are Harold Wells, one year, and Gamble, two year. Margaret Cooper is incoming sweetheart.

Margaret Ann Johnson was recognized as club sweetheart for the past year.

Receiving perfect attendance pins for the past year were Henry Albritton, Loyd Burkhardt, Campbell, Haskell Carter, Arlie Casle, Leldon Clifton, Bob Craig, Davis, Edgar Duncan, Bill Harbert, B. V. Newberry, Fred Smith, Sonnenburg, E. E. West and Seay.

The Hamlin FFA Chapter is planning its annual officer training school June 27-30. The school will be held this year at the Coke County Park in Robert Lee. It will be conducted by Chapter advisor Milburn Wink.

Members planning on attending are Gil Lain, president; Randy George, vice-president; Bob Clifton, secretary; Hollis Stephens, treasurer; Bill Johnson, reporter; and Bill Hodnett, sentinel.

Bill Rountree was given a pin for 25 years of service as a weather observer for Hamlin. The presentation was made at the noon meeting of the Hamlin Rotary Club Wednesday, by C. E. Stichter of the Weather Bureau in Abilene. Rountree, water superintendent for the City of Hamlin, records the weather here daily and makes monthly reports to the Weather Bureau.

EVERYONE LOVES A PARADE

To hear the band, to see the uniformed soldiers, to see the might of our tanks, to see the strength of our country, these things stir the heart and make us proud to be an American. Our God has made us strong and blessed us greatly, however our greatest strength is in the Lord. "GOD is our refuge and strength, a very present help in trouble." In these unsettled times we need to show our faith in the Lord, and speak with the courage of one whose father can do all things. Renew your strength each week by attending services in the Lord's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

42,000 Texas Cattlemen Register for Referendum

SEALY—Registration figures in the nation's first Beef Referendum are in and it appears that over 42,000 cattlemen registered in Texas. In the U.S., over 256,000 producers have registered. These figures were released today by the Texas Beef Development Taskforce (BDT).

"We're extremely pleased with the interest and turnout," says J. D. Sartwell, a rancher from Sealy and chairman of the Texas BDT. "More than 1,000 cattlemen on the Texas BDT have worked to inform cattlemen about the merits of the program and pushed for a high registration," says the rancher. "This dedicated work and wide-spread news coverage by the Texas media are responsible for the large registration turnout," he adds.

Only cattlemen who registered during the June 6-17 sign-up at their local ASCS office are qualified to vote July 5-15.

"With the passage of the Beef Referendum, the cattle industry will have means of stabilizing our industry and increasing profits for cattlemen," Sartwell says. He points out that the Beef Referendum, if approved by two-thirds of the producers voting next month, would raise an estimated \$30 million to \$40 million annually. This money would be used for beef research, education, promotion and foreign market development.

Cattle producers would assess themselves three-tenths of one percent (30 cents per \$100 value) for each animal they sell. The money would be "passed through" at the point of each sale, but money would be remitted only at the time the animal is slaughtered. The funds would be sent to a national Beef Board, administered by 68 cattle producers from the major cattle producing states.

"The 68 producers will be nominated by cattle organizations in each state. The nominees will be selected from these associations either by a membership election or through appointment by the directors of each group," Sartwell points out. The Secretary of Agriculture will confirm the appointees and assure that the funds are properly invested in accordance with the law, he adds.

"In order for the Referendum to be valid at least 50 percent of those who registered must return to their ASCS office and vote. Then, at least two-thirds of those voting must vote 'Yes' before the program will be put into effect," the BDT chairman says.

"This may be the last opportunity that producers have to vote on a self-help program," concludes Sartwell. "So we urge every producer who registered to return and vote 'Yes' for a more profitable beef industry."

Philosopher Has Some Doubts About Poor Diet Being Responsible for Crime

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One examines a theory on crime this week. We guess he's serious, but you never know.

Dear editor: According to an article I read in a magazine last night because there wasn't any-

C. W. Stenholm Named to State ASC Committee

Secretary of Agriculture Bob Bergland has appointed Charles W. Stenholm of Stamford as a committee member of the Texas Agricultural Stabilization and Conservation (ASC) Committee.

Bergland named James E. Goad of Rosebud chairman and other committee members named were Joe E. Chapa, Linn; Edward L. Lehman Jr., Vernon; and John D. Smith, Sudan.

The committee administers federal farm programs in Texas.

Stenholm, 39, operates 2,500 acres, producing cotton, wheat, and grain sorghum, while grazing 85 mother cows and feeding about 1,000 pigs each year. He currently belongs to the Texas Federation of Cooperatives, Rolling Plains Cotton Growers Association, Texas and Southwestern Cattle Growers Association, Texas Pork Producers Association, Stamford Chamber of Commerce, Exchange Club and Tri-Area Livestock Show Association.

He and his wife, Cindy, have two sons and a daughter.

thing to watch except re-runs, some experts have come out with a theory on why people go bad. They say it's something they ate.

According to them child delinquency, which leads to adult delinquency, which leads to crime, which leads to jail or would if the cops could catch them and if the courts would ever get around to trying them and some lawyer didn't get them off and if he doesn't and they go to jail they weren't let out soon to start robbing all over again—anyway, to get hold of this sentence before it arm-wrestles me to the ground, according to them child delinquency is caused by inadequate or improper diet. Kids either don't get enough protein-rich food or they eat too much junk food.

In many cases this is probably true, but the trouble with theories is that if you keep reading you'll run into something else that makes you scratch your head.

For instance, when former Attorney General John Mitchell went to prison the other day, the newspapers reported that he was the 25th member of the Watergate group to be jailed.

This got me to thinking. What did those 25 men eat when they were kids?

Like the rest of the nation, I saw all of them on television and they all looked like they'd had a well-fed childhood, and were all eating good at the

time they were caught. Not a one looked like he'd ever been under-nourished.

It's pretty hard for me to believe you can blame

Watergate on sodawater and potato chips.

Yours faithfully,
J.A.

Some plain talk about the price of power.

While every effort is being made to generate and deliver electricity at its lowest possible price, it's no secret that the price is higher and rate relief does not appear to be imminent. It's not just the higher cost of generating fuels. It's the higher cost of everything required by our power suppliers and your member-owned cooperative.

Lines which cost \$800 per mile to build just a few years ago now cost upwards of \$4,000 per mile. The cost of building generating facilities has increased enormously. It also costs a lot more to equip and to operate an electric utility.

But no one is more acutely cost conscious than your member-owned electric cooperative. We grew up stretching your electric dollar. We still make it go the limit.

Understanding Yourself

Helpful Ideas From The International Lutheran Laymen's League

ONE IN THE FAMILY
If there's one place in the world where people can be expected to be at one with one another, it is at home, in the family.

But although it sometimes seems that it is right here that life falls apart, it doesn't have to be so. Misunderstandings and disagreements are not new to the human family, nor to the family circle on the human scene. They have their root, as St. Paul said, in human nature, which likes to write its own story, governed by its own passions and punctuated by its own pride.

St. Paul said to people, "Don't be conceited. Don't have an exaggerated opinion of yourself."

This does not mean that you have to downgrade yourself. That's not humility. Genuine humility is to see yourself as you are, without rose colored glasses. You don't have to discount your strength to be humble. What you can do is build up those around you, letting them feel that they are more important to you than you are to yourself.

Implement Company, Inc.
OFFERS REAL SAVINGS
ON JOHN DEERE
4-W-D TRACTORS...
AND WAIVES
FINANCE CHARGES,
TOO

It's our "After-Spring-Work Special". We have some real bargains on John Deere 8430 and 8630 Tractors. In addition, if you act during this special offer, no finance charges will be imposed on the tractor you choose for six months after date of purchase. Now—for less than you thought—you can have the increased power and traction of a 4-wheeler. You'll like the power ratings: 275 engine hp, 225 PTO hp in the 8630; and 215 engine hp, 175 PTO hp in the 8430. You'll like the air-conditioned Sound-Gard® body that's regular equipment. And you'll certainly like these big savings. See us soon for details. Offer for a limited time only.
